-people who have the self-esteem and advocacy
desire to be life-long learners*

From the President:

By the time you receive this there is a good chance that the elections will be over, for the time-being. I truly hope that we have elected individuals who understand the investment of education on our national well-being.

Please if you know any conference workshop presenters who would be a great benefit to our work, encouraged them to complete the **Call for Presentations**” form. (found on our web-site)

Please if you know **colleagues** who should be nominated for their work with our students, complete the “Nomination for Regional and Anthony Dallmann-Jones” awards. (found on our web-site)

Please if you know of any **students** who could benefit from our student scholarship, complete the Nomination form. (found on our web-site)

We know the school year is keeping you busy. Take care of yourself as well as you take care of your students!
